

March 3, 2010

To our valued customers;

Greenwood Emergency Vehicles, Inc. and First Line Emergency Services, Inc. are pleased to announce that effective April 1, 2010 we will join forces to establish the industry's leading emergency vehicle service team!

First Line will provide service to E-One, Horton, and Maxim customers in Connecticut and areas of western Massachusetts. Greenwood will continue to do the same in Massachusetts, Rhode Island, southern New Hampshire, and Maine.

Greenwood operates facilities in North Attleboro, MA and in Brunswick, ME. First Line is located in Cromwell, CT. This new team will total over 25 EVT/ASE certified technicians capable of providing outstanding mechanical, fabrication, and parts support throughout New England.

We look forward to this new venture and to the opportunity to be of service to you in the future. Contact information will be available later this month on Greenwood's web site:
